

This holiday season SPC is going to partner with RAHAB ministries in Akron for our giving tree. We are asking for 'not normal' Christmas items. These will allow RAHAB ministries to provide the needed services to women who need a change of life. While buying these requested goods might not bring holiday cheer to you, you are potentially putting a smile on someone's face who hasn't had a reason to do so for quite a while.

Requested items:

- Black mascara
- Black eyeliner
- Lotions (body, face, hand etc.)
- Hair care products
- Shower gels
- Journals
- Gift cards for gas stations and Walmart (\$10-\$20)
- Toilet Paper

We also ask that you please accompany your gift with a card of encouragement.

We will collect these items November 18 through December 9.
